■ Feature may be Factory Installed depending on date of manufacture, otherwise will require WiFi download or WiFi continuous connection.

□ Feature is Factory Installed - No WiFi connection required.

■ Feature is downloaded to range with one-time WiFi connection - WiFi connection can be turned off after the feature is installed.

■ Feature available only while WiFi is continuously connected to range - Accessible through the range control panel and/or the SmartHQ App.

Download the SmartHQ™ app to expand your cooking capabilities.

*Smart HQ App is only available in English.
